COLOUR HERBE

Permanent Hair Colour

No Ammonia Colour Herbe contains no ammonia. It represents the sensitive structure of the hair and skin, instead by using extracts of the herbs Rosemary, Cinchona and Walnut Husk, it gently deposits colour whilst achieving healthy natural results.

The Herbe Range features herbal hair colour gels, shampoos and conditioners. Pure biodegradable ingredients include rosemary, bran, malo, coconut and walnut husk. Cleansers contain none of the harsh petro chemical agents that may be found in many other product ranges! Now you too can discover the herbe secret and make the natural choice for beautiful hair...
