COLOUR HERBE

Permanent Hair Colour

No Ammonia Colour Herbe contains no ammonia. It represents the sensitive structure of the hair and skin, instead by using extracts of the herbs Rosemary, Cinchona and Walnut Husk, it gently deposits colour whilst achieving healthy natural results.

The Herbe Range features herbal hair colour gels, shampoos and conditioners. Pure biodegradable ingredients include rosemary, bran, malo, coconut and walnut husk. Cleansers contain none of the harsh petro chemical agents that may be found in many other product ranges! Now you too can discover the herbe secret and make the natural choice for beautiful hair...

Life Science Consultants

Servicing the Pharmaceutical and Biotechnology Industries

Life Science Consultants

is based in Kinsale providing contract engineers and Pharmaceutical consultants to the Pharmaceutical and Biotechnology industries, for both project execution and on going process and systems development.

Our team are industry experienced and technical qualified in order to meet the needs of our clients. We place a strong focus on industry understanding as it allows us to provide our clients and contractors with solutions and opportunities that fit their requirements

Due to significant growth, we are currently looking to hire an account manager to work with some of our key Pharmaceutical Multinational clients.

This role will involve working with our Irish based and international pharmaceutical clients on a daily basis.

- Developing and building our resourcing & contracting business.
- Recruitment or sales experience, with an engineering or sales background would be advantageous.
- This role may suit someone with considerable Pharmaceutical or medical device industry experience looking for a change in direction.

The successful candidate will be responsible for :

- Day to day interaction with our clients
- Business and relationship development with clients
- Sourcing and Pre-screening of candidates being submitted for client roles
- Maintaining up to date and accurate information on our CRM and candidate database.

The ideal candidate for this role will have a Science or Engineering degree with previous work experience in a Pharmaceutical or Medical Device manufacturing or service company

- Prior experience in recruitment is preferable but not essential.
- Excellent communication and organisational skills are required for this role
- Candidates will need to be self driven with an ability to set and meet targets.
