We have spent 20 years finding suitable homes for clients from all over the world - to BUY or to RENT - but this time our mission is somewhat different! Our client is a cat called MIA belonging to 6 year old Gina. But Gina is returning to Lithuania at the end of the month and she needs a home for her beloved cat. Mia is about 9 months old, a tortoise shell, has been neutered, is house trained and loves children. She walked into Gina's garden 3 months ago, starving, badly mauled, and very traumatised but has totally recovered and is now a loving pet. However she needs a new home, with NO other animals as is still terrified of being attacked. So if you can give a comfy home to a gorgeous little cat, phone me or better still Gina's Mummy on 087 7642645

P.S. Back to Business...

We are also looking for RENTALS

Everything from quality homes to one bed apartments.

This is also the best time ever to buy so look through our SALES listing on the web site: www.victoriamurphy.com
