- Income Tax Returns & Tax Planning -

Our team are now busy on our tax return 2010 campaign. We have a dedicated checklist to make sure you are claiming all your allowances and reliefs as well as our own tax planning guide on tax savings tips.

Let us take the stress of preparing your tax returns from you, ensuring in the process that you minimize your liabilities by double checking that you have allowed for every possible deductible expense and claimed every tax credit available to you.

We cover the following

- **Irish Income Tax Returns (including Accounts Preparation)**
- **UK Income Tax Returns (including Accounts Preparation)**
- **PAYE/PRSI/USC Refunds**
- **Vat Returns**
- **Capital Acquisitions Tax**
- **Capital Gains Tax Forms**
- **Tax planning your move to Ireland**

Our professional tax planning services aim to legitimately seek to reduce the amount of tax you, and/or your business pay each year. Through proper planning and strategies it is possible to essentially reduce the rates of tax you pay meaning more of your hard earned income remains in your pocket. Indeed, we have assisted many of our clients to cut their tax bills by a significant amount. To learn more why not contact us today for a free, no obligation consultation and allow us to demonstrate how we can save you money. We provide expert Irish tax return services for individual workers and self-employed people. Fitzgerald & Partners is a registered Tax Agent with the Revenue Commissioners.

PAYE Tax Refunds: Our tax return services help Irish citizens and foreign workers claim income tax refunds as well as any additional refunds such as medical expenses, rent relief, medical insurance and PRSI refunds. We can provide you with a four-year tax assessment to see if you're owed any money back from previous years.

PRSI Refunds: Fitzgerald & Partners can claim your Pay Related Social Insurance Contributions (PRSI) refunds from as far back as 2007.

Self-Assessed Tax Returns: If all your income falls into the PAYE bracket, you don't need to file an income tax return. If you want to avail of a tax exemption or have any sources of income other than PAYE income, you are obliged by law to declare all your income through an annual self-assessed tax return.

Landlord Tax Returns: Save on time with our specialised flat fee Rental Income Tax Return service. If you receive income from renting out a property or part of your private residence in Ireland we can file your tax return and control your tax liability through deductible related-costs.

Registered to carry out audit work and authorised to carry on investment business by the Institute of Certified Public Accountants in Ireland.
