COLOUR HERBE

Permanent Hair Colour

No Ammonia Colour Herbe contains no ammonia. It represents the sensitive structure of the hair and skin, instead by using extracts of the herbs Rosemary, Cinchona and Walnut Husk, it gently deposits colour whilst achieving healthy natural results.

The Herbe Range features herbal hair colour gels, shampoos and conditioners. Pure biodegradable ingredients include rosemary, bran, malo, coconut and walnut husk. Cleansers contain none of the harsh petro chemical agents that may be found in many other product ranges! Now you too can discover the herbe secret and make the natural choice for beautiful hair...

THANK YOU!

For supporting our Pink Party last Friday at The White Lady, to launch the first Kinsale Pink Ribbon Walk to benefit Action Breast Cancer.

Special thanks to Sharon Crosbie and her band for a fantastic gig, The White Lady, Barry & Fitzwilliam for the Cordoniu Rose and to all the local businesses for their wonderful raffle prizes.

Nearly €7,000 was raised on the night, together with a further €2,340 kindly donated by the Kinsale Good Food Circle from their auction during the Gourmet Festival, making the total €9,000 towards the Kinsale Pink Ribbon Walk fundraising campaign! Thanks to everyone for their generosity and support.

We hope that you will walk with us on Sunday 4th March 2012 for Action Breast Cancer. Look out for details of other events in the New Year.

Registration forms and information about the walk are currently available online www.pinkribbonwalk.ie and from Kinsale Pharmacy and Finishing Services, 71 Main Street, Kinsale.

You can also follow us on Facebook and Twitter.
