FRIZZY HAIR!

Colour Herbe Permanent Hair Colour

No Ammonia Colour Herbe contains no ammonia. It respects the sensitive structure of the hair and skin, instead by using extracts of the herbs Rosemary, Cinchona and Walnut Husk, it gently deposits colour whilst achieving healthy natural results.

The Herbe Range features herbal hair colour gels, shampoos and conditioners. Pure biodegradable ingredients include rosemary, bran, malva, coconut and walnut husk. Cleansers contain none of the harsh petro chemical agents that may be found in many other product ranges! Now you too can discover the herbe secret and make the natural choice for beautiful hair...

Life Science Consultants

is a Kinsale based company working in a global marketplace. Due to significant growth, we are currently looking to hire the following:

Account Manager:

This role involves working with our Irish based and international pharmaceutical clients on a daily basis. Developing and building our Resourcing & Contracting business and focusing on business development and account management. Recruitment or sales experience, with an engineering or sales background would be advantageous. This role may suit someone with considerable Pharmaceutical or medical device industry experience looking for a change in direction.

Science/Engineering Recruitment Consultant:

As a Recruitment consultant you will be responsible for the pre-screening of candidates and maintaining up to date and accurate information on the database. Excellent communication skills are required for this role. Candidates will need to be self driven with an ability to set and meet targets. The ideal candidate for this role will have a Science or Engineering degree with 1-2 years experience in a Pharmaceutical or Medical Device manufacturing or service company.

**Prospective candidates
should email their CV to:**

recruit@lsc.ie

with the role they are applying for included in the email subject. A brief synopsis of the candidates experience should be included in the email.
