# ***Dan Dempsey's Garage***

*...have pleasure in announcing that on  
Saturday 8th January 2011 we delivered our  
**20th Perodua Car.** The lucky new owner  
was a Mrs O'Shea in Carrigaline*

"You may never have heard of the Perodua Myvi but this  
Malaysian Supermini is one of the great unsung heroes of the small-car scene  
...this hatchback is based on the Daihatsu Sirion, and nestling beneath  
its bonnet is a 1.3ltr petrol engine from the Toyota Yaris"

- [www.timesonline.co.uk](http://www.timesonline.co.uk), 6th Sept 2009

Sales by dealers up country  
have exceeded all expectations  
and the name Perodua is here to  
stay. This car is the best value &  
lowest priced in Ireland. It is  
popular because of its economy  
and because of the excellence  
of its Japanese engineering

**Scrappage price is €7,999 or €9,500 straight buy.  
Air Conditioning, ABS & Remote Locking are standard.  
There are No Extras and No Delivery Charges!**

"It may not be a well known badge but the Myvi is an excellent small car.  
It's easy to drive, exceptionally inexpensive to buy and run and very well built"
