Ecclesiastical Insurance, founded in 1887, is a major insurer in the charity sector and is an award winning Insurance company. Appointed in 1980 by the Church of Ireland as their insurer, including involvement with the national education system, they moved into Commercial Heritage Insurance & Charity Based Insurance in 1983. With group assets of over €1.5 billion, net assets of over €300 million and over 175,000 policy holders across the globe they don't just insure churches - they have drawn on their vast experience of insuring large church buildings to become experts in a number of specialist niche areas. Policy holders of Ecclesiastical Insurance appreciate the fact that they are in one of the UK & Ireland's top 20 corporate donors and have donated almost €72 million in charitable grants over the past 15yrs.
