Ten Treasures of Kinsale

When it comes to treasures we're spoilt for choice in Kinsale. The harbour, the people, the restaurants, the architecture, the history, etc. But perhaps there are other treasures, less obvious delights of living in and visiting Kinsale that matter more to you?

Students of Kinsale Community School, working with film students of the Further Education College, are conducting a major survey to identify the Top Ten Treasures of Kinsale. People, memories, events, objects, places, dreams; anything can be a treasure.

Once we've identified the Top Ten we'll be making a film of them which will be shown very shortly in the town. Please help us to identify the full range of Kinsale Treasures by putting your nominations below, cutting out the page and dropping into one of the boxes in Super Valu or The Blue Haven or posting to Ten Treasures, Kinsale Community School, Kinsale.
