Life Science Consultants

Pharma, Medical Device & BioTech Resource Solutions

Looking for a job based in Kinsale?

Life Science Consultants is a leading specialist recruitment company providing Contract Resourcing, Recruitment and Engineering Consultancy to the Pharmaceutical, Biotechnology and Medical Device markets globally. Our team are industry experienced and technically qualified in order to meet the needs of our customers. Due to continued expansion we are once again looking to grow our team here in our Kinsale office:

Science/Engineering Recruiter:

As a Technical Recruiter you will be responsible for working closely with our clients identifying suitable candidates to meet requirements. This is an extremely busy role dealing with multiple clients & candidates and will suit someone who:

- Has excellent communication skills
- Is self-driven with an ability to set and meet targets
- Has excellent time management skills; experienced in managing multiple projects/tasks at once
- Enjoys human interaction. This role involves lots of interaction with candidates & clients both on the phone and face to face in our office & client sites. Good interpersonal skills are key to build strong relationships with our customers.

The ideal candidate for this role will have a Science or Engineering qualification with previous work experience in a Pharmaceutical or Medical Device manufacturing or service company. It may suit someone with considerable industry experience looking for a change in direction. Prior experience in recruitment or sales is preferable but not essential.

If you would like to hear more about this role & what we do at LSC, please submit your CV to recruit@lsc.ie or call us today to discuss further; **021-4777329**

NEW LAW ON MICROCHIPPING

In the Republic of Ireland from 31st March 2016 it will be compulsory for all dogs to be microchipped.

Phone: 021-4772277

As a dog owner there are 3 things you need to know about the new legislation

- 1** Your dog **MUST** be microchipped and registered on a government approved database such as *Fido* by 31st March 2016
- 2** You must have a certificate from a government approved database such as *Fido* to prove that your dog is microchipped and registered on the database.
- 3** You must keep your contact details up to date. Any changes of ownership or of contact details such as changes in address or phone number must be notified to the database.

If you are buying, selling or transferring ownership there are 3 more things you need to know about the new legislation

- 1** From 1st September 2015 all pups must be microchipped and registered with a government approved database such as *Fido* by the time they reach 12 weeks of age or before they are moved from their birth home.
- 2** It is illegal to buy or take ownership of a pup that is not microchipped and registered on a government approved database such as *Fido* and that does not have a certificate from the database to prove this.
- 3** You must inform a government approved database when you buy, sell, take ownership or transfer ownership of a dog.

For more information: **fido.ie**

Meet at the Friary Garden, Kinsale
Good Friday at 12.00 Noon
ALL WELCOME

Miraculous Prayer
Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.
Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. SC

KINSALE BAPTIST CHURCH
Sundays 11am Temperance Hall
All welcome www.kinsaleabc.ie
