## SPANISH LADY SEEKS EMPLOYMENT IN KINSALE

Pilar Garcia is a mature lady (40 years) and mother of two living in Mijas, Malaga, Spain, who wishes to spend the months of May to July in Kinsale with the intention of improving her spoken English.

She reads and writes English quite well but wants to improve her spoken language skills. She grew up in a family owned bar restaurant in Mijas and worked as cook, waitress, bartender etc up to the age of 22.

Since then she has worked as an interior designer and also gives painting classes to both young and old. She has typing and computer skills and speaks fluent German. She has experience of working and being a companion to elderly people as well as children and is prepared to turn her hand to anything which would provide her with a modest income during her time in Kinsale.
