KINSALE PEACE PROJECT

EVENING TALK BY **TOMI REICHENTAL**

**8pm, Wednesday
25th April 2018**

**at Kinsale
Community School**

By kind permission of school principal
Mr Fergal McCarthy

Born in Slovakia, captured by the Nazis & sent to Bergen-Belsen Concentration Camp in 1944 when he was 9 years old. He survived along with his mother, brother, aunt & cousin. 35 members of his family perished, Tomi has lived in Ireland since 1959. Tomi wrote his own book "I was a boy in Belsen" and his life was recently the subject of an award-winning documentary "Condemned to Remember" in which he not only speaks about this childhood, but about what's happening in the world today - war, mass immigration, the rise of far right in Europe, etc.

EXTRA NOTE

Our event is a leisure walk not a race and it takes place on open roads. It is of paramount importance that participants obey the rules of the road at all times showing courtesy and consideration for other road users in a manner that is safe to themselves and others. All registrants participate at their own risk and they must rely on their own ability in dealing with all hazards. We ask that you please obey the instructions of marshals, emergency personal and support staff at all times.

We thank all the residents of the route for their co-operation and patience throughout the walk times.

"Every business is unique and has different needs. At Fitzgerald & Partners we welcome the challenge of matching our services to our clients' needs. Working in partnership with our clients we aim to maximise their profitability and business efficiency. At Fitzgerald & Partners we remain available to our clients on their business journey to mentor and be their trusted advisor. Our friendly and engaging staff will always seek to add value through innovation and the best commercial acumen."

Cormac Fitzgerald FCPA

Bookkeeping / Drop In Business Centre

Fitzgerald & Partners Business Centre can provide bookkeeping services tailored to suit your specific business needs.

All businesses are required to keep accurate records for both taxation and VAT purposes. Good bookkeeping practices also benefit the business by helping you manage and control your finances, plan for future growth and ensure that your accounts are completed more efficiently.

Whether you want to manage your own bookkeeping, or you'd like us to take it all off your hands, we can help. We have an excellent, dedicated team to service our business centre using the latest technology based in our modern office in Kinsale town centre.

We can offer a range of options:

- We can take care of your bookkeeping for you and return your paperwork to you when we've finished processing it.
- Excel workbook for you to tailor and use to record your transactions into. The workbook also has a basic Profit and Loss Account and VAT return calculations included within it.
- Online Accounts, so that you can prepare and access your accounts at any time; from anywhere with an internet connection. Your Business Centre Accountant will also have access so that we can give you live support and advice. We work with all the major online providers of cloud accounting.

We can also prepare regular management accounts to help you keep on top of your finances. Management accounts can also identify weak points in your business, so they can be a powerful aid in decision making as well as KPIs.

With our experience, we can easily take away the hassle of bookkeeping.

We offer fixed competitive fees that are payable monthly so that you can spread the costs on a monthly payment plan.

NOTICES

Miraculous Prayer
Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.
Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. SH
