## REMINDER

Applications for Street Furniture licences in Kinsale are now due for renewal and are a legal requirement under Section 254 of the Planning and Development Act, 2000, as amended by Article 201 and Schedule 12 of the Planning & Development Regulations 2001.

In accordance with Section 71.-(1) of the Roads Act 1993 the deployment of sandwich boards on the public footpath/road requires the consent of Cork County Council (the Roads Authority) and is, in any case, prohibited under Section 7.14.4 of the Town Development Plan.

Please note that from 01 June 2017 all unlicensed/unauthorised tables, chairs, sandwich boards and other street furniture shall be removed from the streets by the Local Authority.

The primary function of footpaths is to provide safe unobstructed passage and refuge for all vulnerable road users. This group includes persons with impaired mobility, impaired vision, parents/grandparents with young children and buggies.

Kinsale is both a designated **Age Friendly Town** and a sailing centre for those with impaired mobility.

Because of the predominantly narrow streetscapes in our heritage town Cork County Council has traditionally withheld consent for free-standing signs/advertising boards on the public footpaths. There are a small number of exceptions at the Tourist Office where established businesses in the town do not operate from fixed premises.

Thank you for your assistance in keeping Kinsale accessible for all.

If you have any queries please contact the Municipal District Office on 021 4772154.

## WHAT WE CAN DO FOR YOU

We provide a comprehensive service that deals with all of the financial management and accounting services relating to the various compliance and Revenue responsibilities that are required of all business owners.

**We are delighted to offer you the following services:**

### **Management Accounts**

We can prepare or supervise the production of monthly, bimonthly or quarterly management accounts to ensure that our clients are fully aware of the company's trading results at a specific point in time. This will involve a review of the business Key Performance Indicators and key financial balances such as bank, cash, debtors, creditors, and a full review of all Revenue liabilities to ensure that they are up-to-date. This can be done onsite or offsite.

### **Payroll Services**

We provide services to small, medium and large businesses on a weekly, fortnightly, monthly or quarterly basis including wages calculations, P30 returns, issuing payslips, general advice as regards holiday benefits, sick pay benefits, benefits in kind, etc.

### **Review of Accounting Systems/Training**

We can provide specialist training for our client's accounting staff and a detailed review of their accounts system to ensure that the management accounts for the company are accurate and issued on a timely basis.

### **Book-Keeping / Accounting Services**

For new business start-ups many clients do not have the knowledge or time to deal with the overbearing administration. They can concentrate more on the promotion of the business, whatever it may be, if we deal with the administration and compliance deadlines. We also work with cloud based packages.

**Miraculous Prayer**

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. ROM
