A Classical Eastern Touch

Multi-award winning best Indian & Pakistani Cuisine

You can enjoy our super, authentic home cooked & guaranteed mouth watering Indian & Punjab dishes from Goa to Khyber Regions - All prepared and cooked to the highest quality - with FREE boiled or pilau rice with every main course dish.

We have spent several years researching the traditional cuisine of Eastern communities who have been persuaded to part with their jealously guarded family recipes, resulting in a huge variety of very mild to hot dishes.

**Why not try something very mild for your first taste of curry.
We are sure you will be delighted.**

Life Science Consultants

Servicing the Pharmaceutical and Biotechnology Industries

We're Hiring

LSC is a Kinsale based consultancy working in a global marketplace. We provide engineering, Science and Technical Consultancy to Pharmaceutical, Medical Device and Biotechnology companies worldwide. Due to significant growth, we are currently looking to grow our team in our Kinsale Office:

RECRUITER TRAINEE:

We are looking for a focused, tech savvy individual to join our recruitment team in Kinsale. If you are a Science or Engineering graduate, who has worked in the pharma or medical device industry, that would be great but not essential.

- The role will suit someone who likes dealing with people and involves a considerable amount of time on the phone, so good communication skills are a must have.
- The key part of this role is finding the right technically qualified people to work on our client projects, so you will need to have the tenacity to go and find solutions for our client.
- This is an Office based role, so you will need to be familiar with MS Office, Word and Excel, and able to work your way through different databases.

ACCOUNT MANAGER:

This role involves working with our Irish based and international pharmaceutical clients on a daily basis.

- Developing and building our resourcing & contracting business and focusing on business development and account management.
- Recruitment or sales experience, with an engineering or sales background would be advantageous. This role may suit someone with considerable Pharmaceutical or medical device industry experience looking for a change in direction.

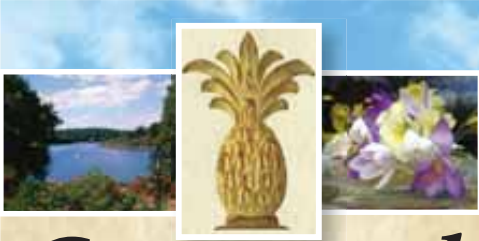

SCIENCE/ENGINEERING RECRUITMENT CONSULTANT:

As a Recruitment consultant you will be responsible for the pre-screening of candidates and maintaining up to date and accurate information on the database.

- Excellent communication skills are required for this role.
- Candidates will need to be self driven with an ability to set and meet targets.
- The ideal candidate for this role will have a Science or Engineering degree with previous work experience in a Pharmaceutical or Medical Device manufacturing or service company.
- Prior experience in recruitment is preferable but not essential.

Prospective candidates should apply to recruit@lsc.ie
