Hay fever Season -The Sneezing Season

Summer comes at a price for anyone with hay fever.

Hay fever is an allergic reaction to pollen - mostly grass pollen - resulting in a stuffed, runny nose, sneezing, coughing, watery eyes, itchy throat and 'panda eyes' resulting from increased blood flow to the sinuses.

You can reduce your exposure to allergens by: keeping windows closed; wearing wrap-around sunglasses; smearing Vaseline inside each nostril to block pollen; wearing a mask mowing the lawn; and by checking the pollen count at [www.accuweather.com](http://www.accuweather.com). Keep your car windows closed and bedroom window open.

At LloydsPharmacy, Kinsale – we'll find the best antihistamine to reduce your reaction. If symptoms persist we can give you nasal spray and/or eye drops.

LloydsPharmacy Kinsale, we're always here to help you, just ask us!

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

*Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. G*

### THANK YOU
