Online Accounts Service for SMEs

In conjunction with Big Red Cloud we have an incredibly easy to use accounting software - designed to keep you in control of your figures wherever you are, 24 hours a day, 7 days a week with Big Red Cloud leading supplier of online accounts.

These days, you can access almost anything online and managing your accounts is no exception. Our business centre team will process the data for you which is then available in real time on your device.

What can Online Accounts do for my business?

With its simple layout and separate sections for sales, purchases, customers and suppliers, Online Accounts gives you the financial information you need to know about your business instantly. The wide range of graphical reports helps you see where your money comes from and what it's being spent on.

It's easy to create new invoices which you can either print out or email to your customer at a click of a button or can be done on the road via an app!

What are the benefits of Online Accounts?

Online Accounts takes the guesswork out of managing your financial business records.

You can access all of your records and find the information you require quickly and easily. Online Accounts allows you to do what you do best – drive sales and grow your business. The software will free you from managing every little detail of the accounts and bookkeeping elements of your company, and allow you to share information in real time with us to keep your business on track. You can focus on business growth having outsourced this function to our business centre and then our dedicated team member will be your point of contact working for your business.

**RECOGNITION
FOR KINSALE
YOUTH SUPPORT
SERVICES (KYSS)**

The outstanding work of KYSS in the provision of Mental Health Awareness and support programmes in our community was recognised and acknowledged at the Cork County Council, Mayor's Community Award 2016, presentation ceremony in the County Hall last weekend.

The Mayor of County Cork, Cllr. John Paul O'Shea, in presenting representatives of KYSS with the Western Division Award, cited the positive impact of KYSS in creating awareness of Mental Health issues and its efforts in the prevention of suicide. This voluntary organisation has, through community awareness campaigns, operation of a Youth Forum and a free and confidential counseling service, unburdened many and helped to destigmatise Mental Health. The offer of help and support is captured in the KYSS tagline *"Take Care Help is There"*.

Are VAT returns giving you a headache?

Whether you are just starting out or have been in business for a long time, Fitzgerald & Partners Accountants can help you meet your VAT responsibilities

Needless to say, late VAT registration, errors, late VAT returns and late VAT payments can all lead to penalties and possibly interest being charged. So allowing our team to take care of your VAT affairs, not only gives you peace of mind, but it should also avoid you wasting your hard-earned cash on penalties and interest.

If you are just starting out, we can help you decide whether you need to be VAT registered from the outset or not. As well, we will continue to monitor your situation, so that should it become obligatory for you to register for VAT, we can deal with all of the paperwork for you.

As with other areas of tax, we can act as your Agent for VAT purposes and therefore correspond with Revenue on your behalf.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail.
