Innovative Solutions for your Business **Online Accounts Service for SMEs**

In conjunction with Big Red Cloud we have an incredibly easy to use accounting software - designed to keep you in control of your figures wherever you are, 24 hours a day, 7 days a week with Big Red Cloud leading supplier of online accounts.

These days, you can access almost anything online and managing your accounts is no exception. Our business centre team will process the data for you which is then available in real time on your device.

What can Online Accounts do for my business?

With its simple layout and separate sections for sales, purchases, customers and suppliers, Online Accounts gives you the financial information you need to know about your business instantly. The wide range of graphical reports helps you see where your money comes from and what it's being spent on. The reports include a breakdown by percentage of where your income comes from - either in terms of customers or products sold, a VAT report, a breakdown of outgoings, plus much more. It is easy to create new invoices which you can either print out or email to your customer at a click of a button or can be done on the road via an app!

What are the benefits of Online Accounts?

Online Accounts takes the guesswork out of managing your financial business records. You can access all of your records and find the information you require quickly and easily. Online Accounts allows you to do what you do best - drive sales and grow your business. The software will free you from managing every little detail of the accounts and bookkeeping elements of your company, and allow you to share information in real time with us to keep your business on track. You can focus on business growth having outsourced this function to our business centre and then our dedicated team member will be your point of contact working for your business.

I'm sure you'll all agree the town of Kinsale is looking fabulous at the moment. Bandon Kinsale Municipal District staff take great personal pride in planting and maintaining flowers each Summer and we take great satisfaction in making our town look beautiful for locals and tourists alike.

On Tuesday 30th May, flowers were stolen from 14 containers on Pier Road, 3 from the Car Park and 1 from Boland's Corner, and containers were vandalised. Someone has to have seen something.

We would like to make this heartfelt plea. Can whoever is stealing the flowers please stop. We have a limited budget and unfortunately due to continuous stealing we have no funds remaining to replace what has been taken. If you witness anything, please contact Kinsale Garda.

We implore you, please leave the flowers for the enjoyment of everyone and be vigilant.

Thank you
