**A word of advice on Probiotics:**

Probiotics are live bacteria and yeasts that are good for your health, especially your digestive system. Probiotics are recommended to replace the "good bacteria" in the system after a course of antibiotics. However probiotics have many other lesser known uses including:

To treat IBS symptoms such as diarrhoea, constipation, flatulence, bloating or abdominal discomfort.  
To prevent upset stomachs while travelling or on holidays.  
To prevent thrush or cystitis.  
To boost the immune system.

Please call into us in LloydsPharmacy Kinsale for advice on choosing the best probiotic for you. We're here to help!

## Your health experts at the heart of Kinsale!

At LloydsPharmacy, we make sure you leave us with the right expert advice – not just the right product. Whether it's offering competitive medicine prices, advice on your child's health or skincare advice, just ask us. Come in store to see us!
