St. Catherine's Cultural Centre KINSALE

PROPOSED CULTURAL CENTER

INFORMATION DAY

Saturday 17th September, 2pm - 6pm

St. Catherine's is one of the most beautiful buildings in Kinsale, and steeped in history having been the Garrison Church for Charles Fort.

It is over 250 years old and was closed by the Church of Ireland as surplus to requirements. It is still in relatively good condition.

A concerned local group have purchased the building through a not-for-profit company to create a Cultural Centre for the Kinsale and Summercove Community, to be used for youth, arts and heritage, drama, music, lectures, and other ideas that will present themselves.

It is a short walk to Summercove School which can use it as an assembly hall for their myriad activities.

Most encouragingly interest and support has been expressed by a number of local groups.

This wonderful historic building also has a very fine pipe organ - in need of some minor repairs - and which was built by the same organ maker as that of St. Finbarr's Cathedral in Cork.

While the purchase has been funded by members of the Committee and some generous donations, upgrading and restoration work is required to bring the building up to the standards to allow for its full use. So while we are working on government grant aids to fund the upgrading, we also value our local community support. Some of the work which needs to be done is the roof and insulation, toilet facilities, a kitchenette, full re-wiring, installation of a lighting and sound facility, heating upgrade and more flexible seating.

If you are interested in hearing more about the work on this Community project, and would perhaps even like to consider contributing in some way, then please feel free to visit us to meet the Committee and to hear more about our plans for the future of this exciting project.

TAX RETURNS 2015

Can we help you?

Ireland has one of the largest tax codes in the world, so preparing even the most straightforward tax return can be complicated. Do you need help in your 2015 Return? Our experienced team of professionals have experience in dealing with tax returns over the last 20 years.

By giving you a fixed, competitive price, we can take the worry away when it comes to self-assessment tax returns; allowing you to concentrate on running and growing your business.

We work in a totally private and confidential basis and can meet clients outside of normal business hours, which may suit.

If you want to make sure you are paying the right amount of tax, you should consult a professional.

Our team can:

- Complete your tax return.
- Calculate your tax liability.
- File the return online.
- Liaise with you on the amounts to be paid and when they are due and deal with Revenue on your behalf.

In addition, we can analyse your self-assessment tax return to see if any tax savings can be made and we can also review the form to see if there are any anomalies that need to be addressed before the return is submitted.

We can also advise on International Tax and moving to Kinsale from overseas in terms of tax planning.

Contact our team on **021 4774500**
for a **FREE INITIAL CONSULTATION** on how
we can help you or visit our website on

KINSALE MUSIC ACADEMY

**NEW THIS SEPTEMBER: Introducing the KMA Singing Studio
with Vocal Coach & Choral Director Fiona Flavin**

Choose from our specialist vocal group classes:

KMA MELODY MAKERS Age 5-7

The 'Melody Makers' group is a beginner class that includes singing/dancing/story telling/action songs and games. This class centres on singing and musical discovery as children build a foundation for musical literacy and experience. Children will enjoy exploring their voices and using their imagination while building their confidence.

KMA YOUTH VOCAL GROUP Age 8-12

The 'Youth Vocal Group' is ideal for children who love to sing but may not be ready for individual lessons. In this class, children begin training their ears and voices as they start the path to fine musicianship. Through engaging and fun repertoire, the group learn musical concepts and establish a strong musical understanding.

KMA TEEN VOCAL GROUP Age 13-18

This group is an advanced vocal harmony group for confident teenage singers who want to master their vocal and musicianship skills while still enjoying working in a team setting. Focused and fun rehearsals involve a wide range of repertoire from contemporary pop arrangements to musical theatre and more. This group also caters for singers coming together to perform for Junior or Leaving Cert music practicals!

ALSO AVAILABLE

**A limited number of individual 30 minute singing lessons
with a wide range of styles and exam board options accessible.**
