## TAX RETURNS 2015

### *Can we help you?*

Ireland has one of the largest tax codes in the world, so preparing even the most straightforward tax return can be complicated. Do you need help in your 2015 Return? Our experienced team of professionals have experience in dealing with tax returns over the last 20 years.

By giving you a fixed, competitive price, we can take the worry away when it comes to self-assessment tax returns; allowing you to concentrate on running and growing your business.

The most common reasons that a tax return may be required are as follows:

- You are self-employed or a partner in a partnership.
- You are a company director.
- You have rental property income.
- You have large amounts of savings or investment income.
- You have bought/received or sold shares.
- You own land or property that is being let.
- You have income from overseas.
- You have sold or given an asset away (such as a holiday home or some shares).

If you want to make sure you are paying the right amount of tax, you should consult a professional.

Our team can:

- Complete your tax return.
- Calculate your tax liability.
- File the return online.
- Liaise with you on the amounts to be paid and when they are due and deal with Revenue on your behalf.

In addition, we can analyse your self-assessment tax return to see if any tax savings can be made and we can also review the form to see if there are any anomalies that need to be addressed before the return is submitted.

We can also advise on International Tax and moving to Kinsale from overseas in terms of tax planning.

we can help you or visit our website on
