## ***Thank You, Thank You, Thank You!*** **from Kinsale GAA**

Thank you so very much to all the sponsors of our recent club fundraiser, 'Kinsale Come Dancing'.

We couldn't have put on this event without your fantastic generosity and support. The success of the club's "Strictly Event" will go a huge way to funding the much needed development of our Facilities on Bandon Road.

*Thank you for being part of that. Please support our sponsors!*

The Show would not be possible without our very talented dancers; Clíodhna Duane and Conor Lane, Fiona Hurley and Niall McCarthy, Maisie Costello and Alister Wilson, Sarah McCarthy and Tony Cierans, Rebecca Fox and Laurence Murphy, Louise Hallissey and Jeremiah Wright, Brenda Jolly and Nelius Buckley, Marie O'Sullivan and Ciarán O'Connor, Christina Broderick and Sean Lynch, Siobhan Healy and Brian Murphy, Carol Nyhan and Fintan Lynch, Fidelma Ni Chathasaigh and Sean O'Callaghan.

They were all winners in our eyes but well done to Fintan and Carol who won night one and Ciarán and Marie who won night two.

Thank you also to our committee, judges and numerous helpers who made the event so successful and to Con O'Callaghan and Tomás O'Brien for being excellent MCs!

Finally 'Thank You' to the people of Kinsale, for their astounding long term support for their local GAA club. To sell out two nights at the Carlton Hotel for Kinsale Come Dancing was an amazing response and surpassed all our expectations - we are forever grateful for all your support.

## AUDIT · TAX · ADVISORY

### How can we help?

Whether you are a family-owned business or a private company you face many challenges, from strategy and growth to succession planning. No matter what your size, industry or market, we are equipped and committed to helping your business succeed by providing you with a full suite of accounting, tax and advisory services. We work with some of Munster's leading SMEs and Entrepreneurs in a private capacity.

Your goals may be more personal these days. You've never let chance control your business - or your family. But do you have a plan for the future? Balancing business and family isn't always easy. We can help you work out your business and personal goals. Now is a good time to reflect on 2015 and plan for 2016.

### AUDIT AND ASSURANCE

In today's ever-shifting environment, having audited financials is a smart decision. A quality audit can help you manage and reduce risks, and could be the difference between closing a deal and a deal breaker. We can give you the assurance that you need.

### TAX COMPLIANCE AND PLANNING

Your business needs have to be compliant with both local and international tax laws. We know it can be a complicated pursuit. Our team can develop customised tax plans geared to reducing your risk and increasing cash flow. With ongoing legislative changes, our tax professionals work year-round to keep you informed. Our strategies don't end once the deadline is met.

### We can help you:

- Identify the commercial alternatives and ensure you receive the most appropriate tax advice.
- Design and implement an appropriate tax strategy for you and your business.
- Provide advice on structuring your business and personal affairs in a tax efficient manner.

### ADVISORY SOLUTIONS

Converging macroeconomic forces are impacting private companies as never before. The accompanying challenges are enormous, but so too are the opportunities. As private companies pursue growth objectives, they will need to adapt their strategies to take advantage of emerging opportunities. Matters to consider include:

- Top-line growth and innovation.
- Effective risk response to enable better performance.
- Acquisitions/divestitures.
- Supply-chain efficiency and effectiveness.
- Data reporting/analytics.
- IT transformation.
- Finance functional performance and/or transformation.

Your evolving business needs require the latest thinking, as well as deep expertise in private-company issues. Our business advisory practice provides just that, helping our clients build their next competitive advantage - from strategy through execution.

Our team are good listeners and will help you to grow your business in 2016 and we look forward to working with our clients in 2016 and beyond.

*Season's Greetings from Fitzgerald & Partners*

*Thanks to all our clients for your business in 2015 and we would like to wish you a Happy Christmas and Prosperous New Year.*
