SIMPLY | CHRISTIANITY

5 week course for the curious

Are you one of the many people with:

...a sneaking suspicion there is more to life?

...a healthy scepticism that demands answers?

...a search for meaning that has never hit the jackpot?

Run over five evenings in the Blue Haven (Café Blue) you will have the opportunity to sort out fact from fiction in the Christian faith.

Course details.

Runs Monday 8th October until Monday 5th November (inclusive for five weeks.)
8pm-9pm each night.

The course is free.

Life Science Consultants

Servicing the Pharmaceutical and Biotechnology Industries

LSC is a Kinsale based consultancy working in a global marketplace. We provide Engineering, Science and Technical Consultancy to Pharmaceutical, Medical Device and Biotechnology companies worldwide. Due to significant growth, we are currently looking to hire a Technical Recruiter or Resourcer to be based in our Kinsale Office:

Technical Recruiter: We are looking for a focused, tech savvy individual to join our recruitment team in Kinsale. If you are a Science or Engineering graduate who has worked in the pharma or medical device industry that would be great, but not essential.

- The role will suit someone who likes dealing with people and involves a considerable amount of time on the phone, so good communication skills are a must have.
- The key part of this role is finding the right technically qualified people to work on our client projects, so you will need to have the tenacity to go and find solutions for our client.
- This is a Desk based role, so you will need to be familiar with MS Office, Word and Excel, and able to work your way through different databases.
- Development of LSC's Social media strategy is a part of this role, so do you tweet, like, poke and connect?

Prospective candidates should find us on Facebook to apply.
