A Classical Eastern Touch

Multi-award winning best Indian & Pakistani Cuisine

You can enjoy our super, authentic home cooked & guaranteed mouth watering Indian & Punjab dishes from Goa to Khyber Regions - All prepared and cooked to the highest quality - with FREE boiled or pilau rice with every main course dish.

We have spent several years researching the traditional cuisine of Eastern communities who have been persuaded to part with their jealously guarded family recipes, resulting in a huge variety of very mild to hot dishes.

**Why not try something very mild for your first taste of curry.
We are sure you will be delighted.**

Life Science Consultants

Servicing the Pharmaceutical and Biotechnology Industries

We're Hiring

LSC is a Kinsale based consultancy working in a global marketplace. We provide Engineering, Science and Technical Consultancy to Pharmaceutical, Medical Device and Biotechnology companies worldwide. Due to significant growth, we are currently looking to hire a Junior Technical Recruiter or Resourcer to be based in our Kinsale Office:

Recruiter Trainee: We are looking for a focused, tech savvy individual to join our recruitment team in Kinsale. If you are a Science or Engineering graduate who has worked in the pharma or medical device industry that would be great, but not essential. The role will suit someone who likes dealing with people and involves a considerable amount of time on the phone, so good communication skills are a must have.

The key part of this role is finding the right technically qualified people to work on our client projects, so you will need to have the tenacity to go and find solutions for our client.

This is an Office based role, so you will need to be familiar with MS Office, Word and Excel, and able to work your way through different databases.

Development of LSC's Social media strategy is a part of this role, so do you tweet, like, poke and connect?

Prospective candidates should find us on Facebook to apply.
