# St. Patrick's Day Celebrations

The fun kicks off at 1pm with street entertainment and busking, while the parade itself starts at 4pm.

Afterwards, dance to a Ceilí or take an easy stroll and work up an appetite for delicious dinner before the grand finale, the Maritime Night Parade on the harbour waters at 7.30pm!

Enjoy the beautifully lit boats sailing in to the harbour from your waterside table at the Pier One Restaurant.

# THANK YOU!

The Kinsale Pink Ribbon Walk Committee would like to thank everyone involved with this incredible event last Sunday. We are all thrilled with the positive feedback and, of course, the staggering fundraising achievement of €70,000 and rising!

Thank you for participating, supporting, volunteering and joining in the fun. Thanks also to the Gardai, Civil Defence, Red Cross and all our Sponsors who have been fantastic support again this year.

Many thanks to all Pink Partners who have excelled in their window design and our flag and bunting brigade who helped turn Kinsale Pink. Now it's time to go green for St. Patrick's Day!

We appreciate every donation and have loved hearing about your fundraising events and Pink Promotions. You can still return your sponsorship card to Finishing Services, 71 Main Street, Kinsale or credit transfer to AIB Kinsale (details on your form) quoting your name and/or race number as reference.

**We can promise you that every cent raised goes directly to the Irish Cancer Society's Action Breast Cancer programme to fund the following care, education and research services:**

- Reach to Recovery Programme and the Care to Drive Programme.
- Daffodil Centres in the Bons Secours hospital and one soon to open at Cork University Hospital as well as grants to ARC House and other local services
- Night nurses throughout Ireland who are accessed through a patient's medical team
- National Cancer Helpline (Freefone 1800 200700) staffed by specialist nurses offering expert advice on breast cancer or any other cancers throughout Ireland.
- Action Breast Cancer Research funding vital research that will have a significant impact on diagnosis and treatment including 11 researchers in UCC.
