## WHAT IS TRUTH?

The Truth will set you free

In these times of massive change where can you look to find direction? With the governments, church, financial institutions & social environment falling apart & spinning a web of half-truths & deceit, it seems ever more difficult to hold a steady course.

It starts, of course, with ourselves & our relationship with discerning the **Truth**.

Join International Mind Sciences lecturer ROD BRIGGS for a one-evening workshop for a fascinating & empowering journey into the way deception impacts on your neurology, physiology & psychology, & what you can do to rectify it!

Thursday 28th March, Trident Hotel, Kinsale, 6.30pm
