WALKERS AND RUNNERS

7th Kinsale 10K Pink Ribbon Walk

Walk with us on Sunday 8th April

To register visit www.pinkribbonwalk.ie,
manual registration forms are at both O'Connor and Kinsale Pharmacies.

VOLUNTEERS

The success of the walk to date is entirely down to the support and help of the thousands of volunteers whom have come forward year on year to help us run this event - the 2018 Walk is no different. If you wish to become a volunteer for the weekend please contact us Kinsale@pinkribbonwalk.ie or Pink Hotline 086 2719556

SPONSORS AND PINK PARTNERS

Because we are a voluntary group, the event is run on the tightest of budgets and with lots of community support, we are able to ensure that almost all the money that we raise each year goes directly to breast cancer research. This is only achievable with the generosity of our Sponsors and Pink Partners. If you are not already involved and wish to contribute in any way contact us by email Kinsale@pinkribbonwalk.ie

Wishing everyone an egglicious Easter from the Kinsale Pink Ribbon Committee

Income Tax Returns

Ireland has one of the largest tax codes in the world, so preparing even the most straightforward tax return can be complicated.

We have worked with thousands of individuals across Ireland on their tax returns over the last 20 years from CEOs to tradesmen. By giving you a fixed, competitive price, we can take the worry away when it comes to self-assessment tax returns; allowing you to concentrate on running your business. We have a dedicated checklist to make sure you are claiming all your entitlements.

The most common reasons that a tax return may be required are as follows:

- You are self-employed or a partner in a partnership
- You are a company director
- You have rental property income
- You have large amounts of savings or investment income
- You have bought/received or sold shares
- You own land or property that is being let (including Airbnb)
- You have income from overseas
- You have sold or given an asset away (such as a holiday home or some shares)

Therefore, if you want to make sure you are paying the right amount of tax, you should consult a professional.

Our team can:

- Complete your tax return
- Calculate your tax liability
- File the return online
- Liaise with you on the amounts to be paid and when they are due

In addition, we can analyse your self-assessment tax return to see if any tax savings can be made and we can also review the form to see if there are any anomalies that need to be addressed before the return is submitted. This process helps to minimise your risk of a Revenue enquiry into your tax affairs. If you are experiencing cash flow problems, we can explore the possibilities of deferring your tax payments or negotiating a payment plan with Revenue on your behalf.
