Exciting times ahead for Kinsale AFC

Established in 1935, Kinsale AFC has been an integral part of the local community for over 80 years, with over 400 men, women and children now playing with the club. At Madden Park we have two of the best maintained and picturesque playing pitches in all of Ireland. Our goal now is to provide a clubhouse and training facilities for our players and the wider community to match this spectacular location.

Funding received to date through grants and FAI support will cover the cost of developing the changing rooms/showers/parking facilities but further funding is required to develop the Community Rooms, 2 training/underage pitches and complete the development in total.

You can help by becoming a CLUB PATRON

The committee members are happy to meet with any potential donors to share the club vision and goals. If you are interested in supporting this fantastic facility in Kinsale please feel free to contact:
