CST-T MIACST Dip Phys

CRANIOSACRAL THERAPIST

CranioSacral Therapy, CST, is a gentle touch therapy which compliments the body's natural healing processes.

During a CST session the client remains fully clothed and rests on a treatment couch. The therapist stands or sits at various points at the feet, trunk and head of the client and assesses and detects potential restrictions and imbalances in the craniosacral system. The therapist can then facilitate releases to improve body function.

Some clients come for a course of treatment for specific conditions associated with pain and dysfunction while others come for a single relaxing session to boost overall health and well being.

NEW TYRE CENTRE AT DAN DEMPSEY'S

Eastern Road, Kinsale

All brands supplied

**CAR TYRES
FROM €25**

A recent survey of tyre prices in ten Cork city tyre shops has been very revealing. We have discovered that Cork city is not selling tyres cheaper than Kinsale.

In most cases Kinsale has the edge on price whether top brands or budget brands and we have now added German Part Worn Tyres to cater for all pockets. We wish you and yours the Season's Greetings and we look forward to serving you in the future.
