## GOLDEN RULES SAFE ONLINE SHOPPING

EUROPOL  
EC3

**DOs**

Buy from trusted sources.

Use brands and shops that you are familiar with or have used before and check the ratings of individual sellers on sites such as Amazon or eBay.

Control the recurring charges.

Before providing your card details to pay for a continuous service over the internet, find out how you can stop that service.

Many e-merchant sites will ask to store your payment details.

Think twice before deciding and make sure you understand the risks this might imply.

Use credit cards when purchasing things online.

Most credit cards have a strong customer protection policy. If you don't get what you ordered, the card issuer will refund you.

Make sure the data transfer is appropriately protected.

Look for the padlock symbol on the URL bar and use HTTPS and SSL protocols when browsing over internet.

 **https**

Always save all documents related to your online purchases.

They may be needed to establish the terms and conditions of the sale or to prove that you have paid for the goods.
