#### February 20th 2025 | 7.45pm | AT Kinsale Community School IN The New Shane Fitzsimons Riverside Theatre

**About Marie Gleeson** Marie Gleeson is a former Captain in the Irish Navy, known for her exceptional leadership skills and motivational speaking. Over her 20-year military career, she operated primarily in the challenging environment of the Atlantic Ocean, ascending from naval cadet to Captain of the LE AOIFE. Her experiences range from international drug busts to the tragic loss of a colleague at sea, providing her with profound insights into human performance and leadership under pressure.

As one of the first female officers in the Irish Navy, Marie offers a unique perspective on leading in a traditionally male-dominated field. She is celebrated for her ability to translate her military experiences into valuable lessons for the business world, focusing on decision-making in high-pressure environments, resilience, and the importance of support systems. Her speaking engagements are known for being insightful, humorous, and deeply engaging, tailored to resonate with diverse audiences.

**Professor Keelin O'Donoghue** will also join as a guest speaker who will join the discussion to explain the work of the PRLG and discuss perspectives on resilience. This promises to be a really interesting discussion and collaboration with really strong engagement from the community. Prof. Keelin O' Donoghue (PLRG) Consultant Obstetrician / Senior Lecturer at CUMH and UCC.
