### Moving to Kinsale?

One of the niche areas is dealing with expatriates, providing bespoke tax planning services for expatriates moving here from all corners of the Globe. We enjoy working with these high net worth individuals who come here and perhaps base their family in the Town. With our good connectivity to Cork Airport, they can commute to their business interests in Asia, New York, London or wherever their business interests take them, or perhaps they may retire here having done all that to enjoy the quality and nice lifestyle that our Town can bring.

We have worked in this space for the last twenty years and enjoy adding value and dealing in complex assignments.
