Inspiration moves us in different ways.  
Each of us have different expectations,  
goals and a different learning pace.

Therefore all my students are taught on  
an individual basis with small groups of  
6 to 8 students.

This approach allows them to benefit  
from the instruction that fits their needs.  
It also means you can start a class at  
any time regardless of your level.

Eileen Duffy, Kinsale
