OPTICIANS

Keeping Kinsale Focused

How often should I get my eyes tested?

Normally every 2 years unless the person is over 40 and there's Glaucoma or Age Related Macular Degeneration (ARMD) in the family, or if the patient has Diabetes, ARMD or Glaucoma themselves they should get tested every year at least.

PRSI will cover a standard eye examination with dilation for the patient/client.

Sometimes there may be extra procedures which could incur an extra charge (such as dry/sore eye procedures or retina pictures). This is the same with certain medical card holders as well.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. DN

Missing you so much

This heartfelt message is for you,
Each word is meant sincerely,
Now that you have passed away,
I miss you so very dearly.

Sometimes my life feels empty,
Nothing can take your place,
I wish I could still hear your voice,
And see your smiling face.

You will never be forgotten,
I think about you always,
And treasure happy memories,
They will never fade away.

Losing someone irreplaceable,
Causes pain that's hard to bear,
My heart feels truly broken,
Knowing you're no longer there.

Death leaves a heartache no one can heal,
Love leaves a memory no one can steal.

Love always
Anna, Barry & Kevin, xxx
