HOTEL & SPA

Comfort & Care Touch CANCER THERAPIST

Our spa is a sanctuary of calm designed to support every guest's well-being, including those seeking gentle care during or after cancer treatment.

We believe that nurturing touch, a peaceful environment, and personalised attention can provide deep comfort, and our treatments reflect this philosophy.

We offer a selection of soothing therapies, including specialised oncology-trained massages created for guests who may be experiencing fatigue, stress, or sensitivity from ongoing medical care.

These treatments are delivered by therapists who have advanced training in adapting pressure, positioning, and techniques to ensure a safe, relaxing, and deeply supportive experience.

Each session is tailored to your comfort level and personal needs, with a focus on restoring calm and easing the mind.

24th Anniversary
ANTHONY BOWEN
 14TH FEBRUARY
In loving memory of Anthony

No-one knows how much I miss you,
 No-one knows the bitter pain,
 We have suffered since we lost you,
 Life has never been the same.
 In my heart your memory lingers,
 Sweetly tender, fond and true,
 There is not a day, that we do not think of you.

Loved always Anthony
