Kennedy's
OPTICIANS

Keeping Kinsale Focused

How often should I get my eyes tested?

Normally every 2 years unless the person is over 40 and there's Glaucoma or Age Related Macular Degeneration (ARMD) in the family, or if the patient has Diabetes, ARMD or Glaucoma themselves they should get tested every year at least.

PRSI will cover a standard eye examination with dilation for the patient/client.

Sometimes there may be extra procedures which could incur an extra charge (such as dry/sore eye procedures or retina pictures). This is the same with certain medical card holders as well.

21st Anniversary
ANTHONY BOWEN
14TH FEBRUARY
In loving memory of Anthony

If I could see you even for a day,
Maybe for a moment, the pain would go away.
I'd put my arms around you and whisper words so true,
That living life without you is the hardest thing to do.

*Missing you always,
Mam, Jamie, Billy and Dad.*

*Thinking of you today and every day, Anthony.
Love always, from Grandad and McCarthy Family.*

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.
Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. KOS
