Not just cheese and wine....

Reimagining Kinsale

The goal of Reimagining Kinsale is to make Kinsale a better place for both its residents and visitors. We created a discussion document and platform for all the key stakeholders in the town to engage and work together towards a short, medium and long term plan. The Chamber commenced a plan a number of years ago and held numerous brainstorming sessions with a cross section of representatives of each area of the community. Following these meetings, a survey was conducted by a third party to find out what the key priorities for both the local resident and the visitor were.

Some years later during Covid, The Chamber, with the support of Fáilte Ireland, engaged an external public Realm expert company Scott Tallon Walker to prepare a discussion document called 'Reimaging Kinsale' to address the key concerns facing the town. This document is available at https://www.kinsale.ie/2021/07/07/reimagining-kinsale/ This is not a final plan but simply a document to create discussion and engage the key stakeholders in the town such as Cork County Council and Fáilte Ireland. The Chamber submitted this document to the last County Development Plan and summarised it under Short, Medium and Long Term objectives.

The Chamber continues to engage with Cork County Council, Fáilte Ireland and other key stakeholders with regards to the issues we face, a lot of which are extremely urgent and impacting both the local community, local businesses and visitors to the town. The Council are the governing body over the town and hold the key to fixing many of the issues we face. We have made various representations to both County Hall senior management, Municipal District area managers and our political representatives to address a lot of the ongoing challenges the town faces as well as proposed solutions, on behalf of our members. We continue to work hard at ensuring a roadmap for changes is agreed and implemented.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen. Say this prayer for 3 days, promise publication and the favour will be

granted, no matter how impossible. Never known to fail. KOS
