Kitty O Se's

Pearse Street, Kinsale

We will be celebrating
10 Years in Business
on Wednesday 15th March

Seamus and myself arrived into Kinsale in January 2013 and there was a To Let sign in the window so we called the number. We renovated inside, saw an opportunity for an Irish Bar and the rest, well, is history!

A big thank you to all the staff past and present for their great enthusiasm and welcome they give to all our customers, locals and visitors to Kinsale alike.

And of course Dave Tynan, Kitty's manager who has been part of the team since 2014.

Join us in a massive night of celebrations!

The party kicks off at 7pm and everyone is invited! *Eileen*

The Kinsale Aesthetic clinic

Some exciting news!

Hajnalka Rózsás will hold a clinic with us for 2 days only.

Hajni has 20 years of experience performing thousands of aesthetic treatments & make-up tattoos and also has 16 years of teaching experience.

Enhance your lips for a beautiful smile:

Hajni offers a more contoured lip, using the Russian Lip technique or the latest techniques, the Butterfly Lip filling, which also helps renew the skin of the upper lip. Highlight and emphasize the natural shape of your lips with the Natural Lip technique. Hajni is an excellent specialist, with whom in addition to Hyaluronic Acid Lip Fillers, you can also request an appointment for Hyaluronic Acid Facial Fillers.

Improve your facial contour:

Sharpen your chin, get a more defined contour or restore the sagging of the chin, then choose Jawline Filler.

Hydrate your facial skin from the inside:

Improves your skin's elasticity and structure and continuously rejuvenate it, with the Skin Booster Hyaluronic treatment. It will leave your face smoother, brighter and more elastic.
