BRING YOUR OLD DEVICE

The Irish Refugee Council has reported that over 2 million refugees have fled Ukraine as of 14 March. Support is needed to help these individuals find accommodation and employment in Ireland.

LSC are seeking donations of functioning devices (Phones, Laptops, Tablets), with word processing and internet capabilities. Ideally donated devices will include charge cables. Donated devices will be distributed to new arrivals into Ireland, many of whom have left with only essentials in hand. The devices shared will enable refugees to seek out accommodation and work within Ireland, with the support of the Irish Refugee Council.

Devices can be delivered to the LSC offices during working hours throughout April. On the 29th of April from 2-6pm we will host an event on site with our IT Volunteers who will run a clinic to wipe all devices before handing over to the Irish Refugee Council. Further details to be announced.
