Master Mind

For the first time in Ireland an expert in Mind is bringing together well established spiritual techniques of meditation/mindfulness with the knowledge of the sciences (Psychology & Philosophy) to create a powerful mind mastering program.

Results are instant and can be used to enhance sporting and career success. Resolve relationship and mental health issues or simply create a wellbeing and peace that isn't here today but gone tomorrow. The mind is a very powerful tool but only when you understand how it works. This course is that understanding.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it.

Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail.
