Perlage: over 30 years of tradition, innovation and passion for an organic and sustainable world.

Perlage, a family owned estate, are the first Prosecco producers to receive Organic Certification and they have been working organically since 1985, and are also the first to receive Biodynamic Certification in 2005. And now, since 2016, they are certified Vegan. The 'Col di Manza' is the only Biodynamic Cru Prosecco in existence. The vineyard is where their passion was born, where it continues to grow respecting the natural balance of the earth: from the generous soil to the small grape ... from the tasty wine to the well-being of man.

## **EXPATRIATES**

In modern day life moving country for work or just to build up on life experience means there is an ever increasing number of Expatriates around the world. Unfortunately legal, tax and investment rules have not been amended to account for this new mobile workforce. Leaving Expats in a virtual quagmire of complexity and confusion on how to make the most appropriate decisions for managing their financial affairs.

Our solution has been to develop a network of best in class Experts in a number of different countries covering all aspects such as tax, accounting, legal, financial planning and debt, to deliver the optimum solution tailored to your needs, often working with existing advisers in their home country. We work with CEOs and business leaders across Ireland.

We have successfully managed this for our private clients for the last 20 years and helping those moving to the area, buying or selling a property and managing the tax planning and practical items that need to be handled to add value to our expatriate clients. Our team can deal with small, medium and large complex assignments globally.

## NOTICES

### Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. ROM
