# Vinyasa Yoga

*with Sinéad*

## About the Classes

Vinyasa yoga is a very dynamic form of practice which really focuses on using the breath to take the practitioner through a sequence of poses. In class, I will be drawing very much from the Ashtanga style of yoga. This is an especially athletic and flowing style of practice. The emphasis will not just be on improving flexibility but also on building strength and stability throughout the entire body. All levels of practice welcome.

\*Please bring your own mat if possible.

## INTERIOR & EXTERIOR PAINTING

QUALITY IS  
OUR PASSION

*Thinking of selling your house?  
Read the review...*

**The Deco-Furbish team can do so much more than painting and decorating when you need it!**

We recently engaged with Deco-Furbish to prepare our 100 year old town-house in Kinsale for sale. The house had been rented for some time so it was tired and badly in need of a re-furbishment. Deco-Furbish took on the job and overcame many challenges in order to deliver a re-invigorated property that kept its unique character while at the same time delivered a contemporary feel with all of the modern conveniences that we all have come to expect. I can honestly say that Deco-Furbish 'very significantly' increased the value of our property and made it very appealing to prospective buyers. In short, he made it an easy sell. I would highly recommend Deco-Furbish for bringing out the best in your property if you want to prepare it for sale.
