MYOPIA (SHORT-SIGHTEDNESS) IS ON THE INCREASE

This is mainly due to a change in lifestyle, eg: computer & smart-phone use, desk-based jobs, etc.

It is important to spot it early to try to slow down the progression of the disease.

(The WHO have now classified it as a disease due to its rapid increase).

Bring your children in for regular eye examinations to, hopefully, spot early myopia.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen. Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. AOM

Please keep washing your hands, wear a face covering, keep your distance, so that we can all get back to running our businesses sooner rather than later.

Please support our wonderful unique and independent stores over the coming weeks & months, they are what makes Kinsale so special!

Thank you all so much for your support this year and always, we have been serving the community since 1976 and hope to continue to do so for many more years to come.

Stay safe and mind each other.
