## Supporting LOCAL this Christmas

As we head into a winter and Christmas like never before, supporting the lonely and vulnerable older people in our community has never been more important.

Local jewellery designer Alice Claire Horgan of [alicejewellery.ie](http://alicejewellery.ie) has designed a special pendant 'The Little Reed', which symbolises strength and resilience dedicated to the outstanding work of the Irish charity ALONE in providing this much needed support.

This delicate and simple design is inspired by Aesop's "Little Reed" fable 'The little reed, bending to the force of the wind, soon stood upright again when the storm had passed over'.

AliCe Jewellery will be donating 20% of sales of The Little Reed Pendant to support the work of ALONE. This Irish charity is supporting hundreds of older people every week, who are homeless, socially isolated, living in deprivation or in crisis.

The Little Reed Pendant is a beautiful and thoughtful piece, and will make a perfect choice for gifts this Christmas.

### *An Eternal Memory until we meet again*

Those special memories of you will always bring a smile, If only we could have you back for just a little while, Then we could sit and talk again just like we used to do, You always meant so very much and always will do too, The fact that you're no longer here will always cause us pain, But you're forever in our hearts until we meet again.

### Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

*Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. MOC*
