IT COULD HELP
SAVE YOUR LIFE

Message In A Bottle - A Lions Club initiative
Message in a Bottle is a simple idea that encourages people to keep their basic personal and medical details in one place at home where, in case of an emergency, the Emergency Services can easily access them.

How it works - You are given a bottle as shown, a form for your personal/medical information and two stickers - one for the inside of your front door and one for your fridge. Emergency Services are trained to look for these stickers - this saves them valuable time and might save your life.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. AC
