"Trusted Business Leadership" theme brings together Government, economics, accountancy, and enterprise at one of Munster's premier business and networking events.

Business leaders from across Ireland will gather in Kinsale this October as Minister Jack Chambers TD and leading economist Jim Power headline the Kinsale Budget Breakfast Briefing 2027, taking place at Kinsale Hotel & Spa on Friday, 9 October 2026.

The annual conference has developed into one of Munster's premier business leadership and networking events, attracting business owners, entrepreneurs, SME leaders, company directors, chartered accountants, finance professionals, policymakers and senior executives from Cork, Munster and across Ireland.

The conference is designed to connect national economic and policy debate with the practical realities facing businesses on the ground, while creating an environment for informed discussion, professional networking, and the exchange of ideas.
