Places available in our **PRE-SCHOOL BALLET CLASS**

(for ages 2.5 - 3 years)

Such a special class to introduce the joy of ballet to children.

Classes also help with the child's coordination, social skills, musicality, discipline, motor skills and dexterity.

An ideal time to start at Lucy French School Of Dance as places are very limited for older children but we have lots of places in this age group.

Every class has 2 fully qualified experienced ballet teachers plus 4 student assistants who are Grade 8 Ballet or above. Every qualified Royal Academy Of Dance Ballet Teacher is highly skilled at not only teaching ballet but also trained in anatomy, psychology and safeguarding of children. We are there to help your child both emotionally and physically.

Parents are not allowed in the studio as this can be very distracting for the children. However, children are supervised at all times, every child is heard, seen, catered and cared for. Class sizes are strictly limited at all ages so that children get adequate care and attention.

**TRIAL
CLASSES
AVAILABLE
UNTIL
OCTOBER**

To book a place for your child at Lucy French School Of Dance please email lucyfrenchschoolofdance@gmail.com with their full name, date of birth and a contact telephone number.

Cancer Connect is a free and flexible transport service to Cork Hospitals. The service is driven by a team of Voluntary Drivers. Cancer Connect Transport is offered throughout Cork County.

A minimum notice of 1 week requested when booking.

RADIOTHERAPY APPOINTMENTS

The radiotherapy service leaves each weekday from Rockchapel, Goleen, Youghal and Castletownbere, based on demand, and travels to CUH and Bon Secours Radiotherapy Departments.

CANCER RELATED APPOINTMENTS

Passengers requiring Chemotherapy, or attending related appointments such as consultant visits, scans, blood tests, wig clinics, dental hospital, etc. are taken to Cork by car.

These trips are organised on a 'one to one' basis. Appointment times vary. Passengers may require a family member to travel too, which is facilitated and encouraged.

Will this *Genocide* help
Palestinians achieve
their freedom?

You are invited to a discussion between two people who have witnessed Israel's crimes for more than 40 years.

Dr Ali Khashan

Professor of Epidemiology, School of Public Health, UCC. Born in Lebanon, he grew up in one of the camps in the south, his family were expelled in 1948 from Dayr al-Qassi, Palestine.

Dr Ang Swee Chai

Orthopedic Surgeon and Author. In 1982 she volunteered to work in Lebanon. She was witness to the Sabra and Shatife massacres. Co-founded Charity Medical Aid for Palestinians.

CARMELITE FRIARY
Kinsale P17 WR88
SAT 27th SEPT, 8pm

Free entry, but advanced booking required:
PalestineCork@gmail.com

Those who are engaged with the Palestinian struggle, hope and even assume, that the current agony will be a watershed moment, but is that assumption justified? Most governments, state media and institutions still treat Israel as a 'normal' country.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it.

Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. AD
