PAYE MODERNISATION FOR EMPLOYERS

Are you ready?

Revenue is making significant changes to the PAYE system from January 1st 2019.

The new system will mean that they receive payroll information in real time. Effectively, this means that an electronic return must be submitted to Revenue as part of each and every pay run.

Revenue are making this change to try and ensure that, at all times, they have the most up to date information on an employee's tax status so that correct credits and cut offs can be issued.

The electronic return, which will be prepared automatically by our payroll software, must be submitted "on or before" the payroll date. This will impose a greater obligation on employers to ensure that the information submitted in every payroll run is as correct and complete as possible.

Corrections can be facilitated under the new system, but they may have adverse consequences. For example, they might give rise to interest or penalties in the event that they result in additional PAYE being due. In the past corrections could be handled by adjusting the annual P35 but from 2019 this will not be possible.

Chat to our team on 021 4774500 to outsource your payroll to Fitzgerald & Partners or for training on help to prepare for PAYE Modernisation.

NOTICES

A NOTE OF Thanks

from the Graham Family

A sincere thank you to all of you who sympathised with us on the recent loss of our father Brian. We were deeply moved by the warmth, love, generosity and friendship which was extended to us during this very sad and difficult time.

Your kindness will be forever etched in our hearts. Dad would have been very touched.

Sheena & John Graham

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. AC
