LIONS MESSAGE IN A BOTTLE IT COULD HELP SAVE YOUR LIFE

Message In A Bottle
- A Lions Club initiative

Message in a Bottle is a simple idea that encourages people to keep their basic personal and medical details in one place at home where, in case of an emergency, the Emergency Services can easily access them.

How it works - You are given a bottle as shown, a form for your personal/medical information and two stickers - one for the inside of your front door and one for your fridge. Emergency Services are trained to look for these stickers - this saves them valuable time and might save your life.

Bottles available from GP Surgeries and the Tourist Office

Acknowledgement and First Anniversary Remembrance

Timothy (Ted) CORCORAN

On the first anniversary of his death, the family of Timothy (Ted) Corcoran would like to extend sincere thanks to Dr. Helen Barry, our cousin Amanda McCarthy, the Rapid Response Unit, the Fire Brigade and the Gardaí, as well as Fr. Robert Young, Gabriel and O'Donovan and staff for their kindness and professionalism.

We would also like to thank all our kind relations, neighbours and friends who attended the Mass and funeral.

We are also extremely grateful to our cousins, Maureen and Eddie Wilcock, who travelled from the UK to be with us at such short notice.

Thank you to everyone who sent Mass cards and condolences.

The Holy Sacrifice of the Mass will be offered for your intentions.
