KINSALE GOURMET ACADEMY

BY *David Rice*

MEN'S FITNESS & FOOD CAMP

6 WEEKS STARTING THURSDAY 16TH JANUARY

Kinsale Gourmet Academy is launching a 6 Week Training Program where 12 clients will be led by David Rice, who is a professional chef, sports and nutrition advisor and Crossfit level 1 instructor, on an intensive training program which will give men the knowledge and tools needed to take control of their health and physique.

The classes will be held once a week where David will begin each session discussing the importance of nutrition, he will then give a cookery demonstration, after which you will then do a bodyweight workout led by David. At the end of each session everyone will sit down and enjoy a recovery meal together.

The classes will last 2.5 hours starting on Thursday 16th January. You will be using 2 Apps (madbarz and my fitness pal) to help you throughout the process. These will track your progress and once the course is finished you can continue to monitor your progress and take responsibility for your health.

What's included:

- Nutritional Advice
- Six Cookery Lessons
- Six Sets of Recipe Packs
- Guided Workouts Scaled to Your Ability
- Training Programme
- Food Plan
- Post Workout Meal for Each Class
- Weekly Review of Your Goals
- Access to Private Whatsapp Group for Support throughout the 6 Weeks

This program is designed for busy men who want a flexible training program that can give them amazing results by just using bodyweight training and combine that with the correct diet for their goals.

Cost €399

Also, whoever progresses the most during the course will get a full refund.

Miraculous Prayer

Dear Sacred Heart of Jesus, in the past I have asked for many favours. This time I ask you this very special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where our Father sees it. Then in his merciful eyes it will become your favour, not mine, Amen.

Say this prayer for 3 days, promise publication and the favour will be granted, no matter how impossible. Never known to fail. ROM
