## **Christmas Message from Kinsale Youth Support Services**

Kinsale Youth Support Services would like to thank you from the bottom of our hearts for all your support this year - what an amazing year it has been. The support has varied from school coffee mornings, non-uniform days, vintage rallies, kind donations, fitness classes, walks, book sales, volunteer support for Darkness into Light 2018, and many more.

KYSS would like to thank all our sports clubs for supporting us by erecting our sign within their grounds. It is vital that we let our communities know that we are here to support them.

A special thank you to all those who supported us via social media, what a help you have been this year, helping to spread our message that support is available and that it is good to TALK. To the families we have supported and still support, we know from your messages and feedback, that the services is needed and one that is very much valued by you.

To our Volunteers quite simple, you are wonderful people, it is people working in the background that makes Kinsale Youth Support Services a leader in providing local mental health support to young people and adults.

*We look forward to working with you all in 2019.  
Wishing you all a very happy and peaceful Christmas.*
